Subject index

A

Acne, discoloration of teeth related to minocycline therapy for (Caro), 317 (Correspondence)
and related conditions; dermatologic therapy (Coskey), 125
and 13-*cis*-retinoic acid; therapeutic briefs (Thiers), 533
severe cystic, treatment of, with 13-*cis*-retinoic acid (Farrell et al), 602
topical erythromycin solution in (Dobson and Belknap), 478
with zinc in (Feucht et al), 483
Actinic comedonal plaque (Eastern and Martin), 633
Allergy; dermatologic therapy (Coskey), 125
Alopecia congenita, analysis of hair from (Baden and Kubilus), 623
therapy and histopathology of complications from synthetic fiber implants for hair replacement (Lepaw), 195 (Special report)
totalis, patient with herpes gestationis also having (Holmes and Black), 474
American Academy of Dermatology, Thirty-eighth Annual Meeting, Chicago, Dec. 1-6, 1979 (Arnold and Rees), 63
Annual National Meeting, Council on: functions, responsibilities, and innovations (Sams), 432 (Editorial)
Antibody-dependent cellular cytotoxicity (ADCC) effector function in patients with atopic dermatitis (Fritz et al), 167
Antihistamines (Fisher), 303
Aortic dilatation, cerebral vessel and, noted in case of nail-patella syndrome (Burkhart et al), 251
Aspergillosis, primary cutaneous (Estes et al), 397
Aspirin, mucocutaneous lymph node syndrome and; therapeutic briefs (Thiers), 535
necrobiosis lipoidica, and dipyridamole; therapeutic briefs (Thiers), 535
-sensitive patients, "white" antihistamines for; antihistamines (Fisher), 303
Asthmatic patient and ethylenediamine sensitivity; antihistamines (Fisher), 303
Athlete-patient, sportsman best served if considered by physician as (Levine), 415
Atopic dermatitis, antibody-dependent cellular cytotoxicity (ADCC) effector function in patients with (Fritz et al), 167
Autoimmune disorders, other, pemphigus, pemphigoid, and dermatitis herpetiformis associated with (Callen), 107
thyrotoxicosis (Graves' disease) possible association of herpes gestationis with (Holmes and Black), 474

B

Bacterial infections; dermatologic therapy (Coskey), 130
Baldness; therapy and histopathology of complications from synthetic fiber implants for hair replacement (Lepaw), 195 (Special report)
Beerman, Herman, 210 (Contemporaries)
Blacks, absence of infestation of head louse in (Kanof), 91 (Editorial)
Boeck's sarcoid and multiple lytic skull lesions mimicking metastatic carcinoma (Bodie et al), 401
Book reviews, 105, 216, 434, 538, 659
Breast, accessory, on posterior thigh of man (Camisa), 467
Brunsting-Perry cicatricial pemphigoid associated with bullous pemphigoid (Hanno et al), 470
Bullous amyloidosis (Beacham et al), 506
disease of skin, internal disorders associated with (Callen), 107
pemphigoid, Brunsting-Perry cicatricial pemphigoid associated with (Hanno et al), 470
herpes gestationis almost identical to, in its immunopathology (Holmes and Black), 474
Bureaucracy, our (Catalano), 637
who wants? (Sauer), 638

C

Callaway, J. Lamar; saga of a North Carolina dermatologist (Callaway), 544 (Contemporaries)
Calvarial sarcoid mimicking metastatic disease (Bodie et al), 401
Cancer(s), skin, incidence of, in patients with atopic dermatitis treated with coal tar (Maughan et al), 612
tar, ultraviolet light, PUVA, and (Grupper and Berretti), 643 (Editorial)
Carcinoma in situ, bowenoid papulosis of genitalia progressing to (De Villez and Stevens), 149
sebaceous, of eyelid (Dixon et al), 241
Cardiovascular stress of photochemotherapy (PUVA) (Ciafone et al), 499
Cerebral vessel and aortic dilatation noted in case of nail-patella syndrome (Burkhart et al), 251
Cerebrovascular accidents, livedo reticularis and (Quimby and Perry), 377
Cheilitis, side effect of treatment of severe cystic acne with 13-*cis*-retinoic acid (Farrell et al), 602
Cimetidine, pruritus and; therapeutic briefs (Thiers), 535
Clindamycin, topical, penetration of, into comedones (Guin et al), 153
Clinical Dermatology, Westwood Western Conference on, Second Annual Conference, Newport Beach, CA, March 6-9, 1980 (Thiers and Dobson), 651
Coal tar, incidence of skin cancers in patients with atopic dermatitis treated with (Maughan et al), 612
Colitis, ulcerative, patient with herpes gestationis also having (Holmes and Black), 474
Collagen diseases and vasculitis; dermatologic therapy (Coskey), 128
Comedonal plaque, actinic (Eastern and Martin), 633
Comedones, penetration of topical clindamycin into (Guin et al), 153
Connective tissue nevi of skin (Uitto et al), 441
Contact dermatitis, photoallergic, to musk ambrette Giovinazzo et al), 384
sensitivity to perfume mix investigated in student nurses (Guin and Berry), 299
Contemporaries, 210, 325, 437, 544
Contents, volume 3, 661
Continuing medical education (CME) examination, 15, 121, 232, 345, 581
answers, 14, 120, 231, 344, 580
Corticosteroids, use of, in childhood lichen planus (Brice et al), 370
Cosmetics, perfumed, history of dermatitis on exposure to (Guin and Berry), 299

July, pp. 1-106; August, pp. 107-216; September, pp. 217-328; October, pp. 329-440; November, pp. 441-550; December, pp. 551-684.
